

FOREST GLADE HOLIDAY PARK CAMPING PODS 2021

Come glamping at Forest Glade! Our camping pods are a cosy, dry alternative to camping - you need to bring all your camping equipment except your tent and air beds. Just think - no more putting the tent up and down in the wind/rain/dark!

What we provide:

- An electric kettle
- A fan heater
- A double and two single mattresses on the built-in raised beds
- Two 3-pin sockets
- An interior light
- A folding table
- A picnic table outside.

As well as the usual range of facilities available for you to use on the park we have a campers' kitchen with microwave, toaster, kettle and food prep sink located in the main facilities building just off the drive.

All cooking must be done outside as the camping pods are made entirely of timber.
